

## A History of the Supreme Court

Filesize: 8.49 MB

### ***Reviews***

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

Oxford University Press, 1995. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Schwartz's book is not just for legal scholars; here he differentiates between the various Courts by chief justices, fleshing out the personalities, the scholastic backgrounds, and the philosophies of the jurists and giving law students and history buffs alike the lowdown on those who have shaped U.S. laws into the present. All the important cases, from Brown v. Board of Education to Roe vs. Wade, are explained in simple English. With its plain talk about complicated legal issues and its handy appendix, this book is a gem."--Booklist "Excellent text!"--Charles C. Perkins, Fisher College "This is a first-class history of the Supreme Court by an author who writes well, and it should provide a solid background for students who wish to study the Court rather than just read excerpts from opinions."--Dr. Robert W. Langran, Villanova University "An excellent account of our still least-visible yet no longer least-dangerous branch of the national government. In what is the best one-volume history of the U.S. Supreme Court, Schwartz guides the reader on an impressive, informative journey through the court's work over its two centuries of existence. Schwartz's latest scholarly contribution to the literature of the Supreme Court is required reading, and not just for lawyers or law professors. Highly recommended."--Library Journal (starred review) "A well-written account [that] takes us from the beginnings of the American judicial system down to the present."--The New York Times Book Review "A thorough, balanced, and readable chronological overview of the highest court in the land. He mixes biographical sketches of justices like John Marshall with insightful analyses of major decisions, offering also a close look at four watershed cases, e.g., those regarding desegregation and abortion. Schwartz's account of the modern court, especially that headed by Warren, is lively and savvy,...
