The Tides of Truth series follows one lawyer's passionate pursuit of truth--in matters of life and the law. As the storm clouds gather, Tami does her best to weather the growing turbulence in every area of her life. She's just accepted a job with a law firm but now wonders if she made the right decision. She has two strong men vying for her heart--and is about to lose them both if she can't determine which one is right for her. And Tami's new case is anything but simple. When she first meets her prospective client, she immediately knows the rough young teen is lying, guilty, and utterly terrified of something beyond the charges she's facing. What she doesn't realize is just how far reaching the effects of the case will go. Or how close to home the deadly results will hit. For by the time the storm breaks, someone close to Tami will have paid the ultimate price. Through it all, Tami will experience greater sacrifice, greater friendship, and greater love than she's ever known.
