

Soldier from the War Returning: The Greatest Generation's Troubled Homecoming from World War II (Paperback)

By Thomas Chidlers

HOUGHTON MIFFLIN, United States, 2010. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. In *Soldier from War Returning* , historian Thomas Chidlers shatters that myth. Interweaving the intimate stories of three families - including his own - he reveals the true cost of the war. Alcoholism, homelessness, and unemployment were rampant, leading to domestic violence and a skyrocketing divorce rate. Hundreds of thousands of soldiers were diagnosed with psychoneurotic disorders (now known as PTSD). Though many veterans bounced back, others were haunted for decades afterward; some never fully recovered. Novelistic in its telling and impeccably researched, Chidlers book is a stark reminder that the price of war is unimaginably high, and the toll can stretch across generations.

Reviews

This ebook is really gripping and fascinating. it had been written extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
