INVASIVE PLANTS, WESTERN NORTH AMERICA A FOLDING POCKET GUIDE TO PROBLEMATIC WIDESPREAD SPECIES POCKET NATURALIST GUIDE SERIES

Waterford Press. No binding. Book Condition: New. Pamphlet. 1 pages. Dimensions: 8.5in. x 4.0in. x 0.2in. Invasive Plants - Western North America is an identification guide to invasive plants that can cause economic and ecological damage to crops, range, forests, and wildlands in the West. Most of these problematic plants are non-natives that now grow in locations beyond their known historic range. A non-native designation can refer to a plant from other continents, regions, or ecosystems. Once in a new area,...

Reviews

It is an amazing book which i actually have actually read through. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Annamae Frami**

This composed publication is great. It is one of the most remarkable publication i have got read through. I am just quickly could get a delight of looking at a composed book.

-- **Caden Buckridge**

Basically no words to explain. It can be rally interesting throgh reading period. Its been printed in an exceedingly basic way and is particularly merely soon after i finished reading through this book through which actually modified me, change the way i really believe.
