Above the Rise: On Fish and Fishing (Paperback)

By H G Moser

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Since its beginnings on the chalk streams of England, fly fishing has enjoyed increasing popularity. This was accelerated by the publication of Norman Maclean's memoir, *A River Runs Through It*, and the film based on the book. In *Above the Rise*, H. G. Moser draws on a lifetime of fly fishing. The poems and prose pieces in the book cover a wide variety of subjects related to life in the waters of Montana and elsewhere in the world. Included in the book is a remembrance of days spent fishing the Big Hole River in Montana. Also included are two fictional pieces: an excerpt from a novella based on the life of a river guide and a children's story about a frog who loses his home when his pond dries up and his search for a new one with the help of a mysterious friend.

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- Dr. Pat Hegmann

It is one of my favorite publications. It is among the most awesome publications I have gone through. I am just quickly will get a delight of reading through a published publication.

-- Prof. Martin Zboncak DVM
