Brand New Book ***** Print on Demand *****.Hollywood made a pretty bad movie about it Arachnophobia, but for some the movie was excruciating, if they even went to see it. The cast certainly was amazing: John Goodman, Kathy Kinney, and Jeff Daniels. But it doesn t take a movie to frighten people who suffer from arachnophobia. Spiders can be anywhere and everywhere. That fact alone strikes terror into the hearts of those who hold this phobia in their minds. This author has never really had a problem with spiders. When I see them, I find the closest shoe and send them on to spider heaven. I don t want them crawling all over me, but if I see one, I don t get freaked out. Now show me a snake and it s a different story. So I understand! God did not make spiders cute and cuddly. He did not make them fun or even interesting well, to most people anyway. After all, they just kind of crawl around and lurk in dark spaces occasionally spinning a web for you to get all over your face if you walk through it. Around Halloween, this can be great handmade decorations! But at other times, it s just a nuisance. Then you have to consider those spiders that are poisonous. Mass media coverage has made all of us increasingly aware of the dangers of brown recluse spiders and the physical damage they can wreak on the human body. Then you have to consider the deadly Tarantulas, and other poisonous spiders that can be lurking just underneath your house. Perhaps this is why people are afraid of spiders because they can be everywhere. Arachnophobia is a very real...
