Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Rosen Publishing Group, U.S., United States, 1997. Hardback. Book Condition: New. Library edition. 244 x 173 mm. Language: English . Brand New Book. Accelerated Reader is a program based on the fact that students become more motivated to read if they are tested on the content of the books they have read and are rewarded for correct answers. Students read each book, individually take the test on the computer, and receive gratification when they score well. Schools using the Accelerated Reader program have seen a significant increase in reading among their students. Globally and locally, teens are confronted with a wide variety of social issues and difficult political realities. These titles are excellent for community service learning and tolerance building.
