Createspace, United States, 2013. Paperback. Book Condition: New. 202 x 134 mm. Language: English . Brand New Book ***** Print on Demand *****. Is your company struggling to remain relevant, innovative, and cool in the eyes of modern consumers? Do you feel like you're falling behind as a business leader? Or are you just starting out and want to begin on the fast track to success by using the most effective modern techniques? Do you want to achieve the same level of success as some of the most influential, respected, and recognizable business moguls in the world? If your answer is yes to even one of those questions, then Cool Boss may be exactly what you need. We have all seen the titans of modern business blazing trails into new areas of thought, altering cultural identity through innovative products, and selflessly giving back to the world in a wide variety of ways. On top of that, they look cool doing it, which is a growing trend in modern business theory that is paying off in a big way for. The qualities that define the careers and mentality of the cool, new generation of business leaders are specifically designed to fit within the modern world, leaving the obsolete and antiquated modes of leadership behind. Have you ever wondered why Richard Branson is considered a visionary, despite numerous failures and a reputation for taking dangerous risks? What did Steve Jobs do that made him, and the Apple Corporation, the trendsetting giants of a massive industry? How did Mark Zuckerberg change the fundamental process of social interaction with the creation of Facebook? The book also includes practical advice and success stories from other leaders like James Dyson, Oprah Winfrey, Barack Obama, Bill Gates and others who have led the way into the new...
