

America's U-Boats: Terror Trophies of World War I

By Dubbs, Chris

University of Nebraska Press, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. 8.6 x 5.9 x 0.8 inches. Brand new. Pristine, unmarked. 38 illustrations. A well-researched new history that describes the fascination of the American public for the First World War German submarines that were transferred to the US at war's end. One of the U-boats became the first submarine to sail the Great Lakes. UB-88 was used to promote trade between Texas and the west coast, transporting a bale of Texas cotton through the Panama Canal to Los Angeles, where the miniature bale was presented to actress Mary Pickford. // Shipped carefully packed in a sturdy box.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
