Unanswered questions and unsolved mysteries are integral to human experience. The Brotherhood, an otherworldly conspiratorial entity steeped in witchcraft, intrigue, and murder, served by Lazarus Berakus and Damein Rathskin, believe it is up to qualified men to lead the world into harmony. One world, one government, many gods. The Brotherhood s manipulation of world finances brings devastation to the farm community of ten-year-old Skeeter Beor. When farmers organize to fight back, dissension among them brings violence, social havoc, and finally soul-searching for Skeeter and her family. Lured by the warm spring wind, the children at Skeeter s one-room country school venture off on an unauthorized hike and happen upon a mystery in the making, which leaves her with foreboding. It is the catalyst for Skeeter reluctantly growing into womanhood. The spiritual, emotional, and physical challenges present a variety of reactions: fear, humor, sensitivity, and an aching to express love. Into the mix Shanna Drake, the famous actress, boldly manipulates her way into the social realm of the Brotherhood in search of her birth mother, who she feels defrauded her of her birthright. Surprise and danger await.
