Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hey Rub-a-Dub-Dub: A Book of the Mystery and Wonder and Terror of Life I Have lived now to my fortieth year, and have seen a good deal of life. Just now, because of a stretch of poverty, I am living across the river from New York, in New Jersey, in sight of a splendid tower, the Woolworth Building on the lower end of Manhattan, which lifts its defiant spear of clay into the very maw of heaven. And although I am by no means as far from it as is Fifth Avenue, still I am a dweller in one of the shabbiest, most forlorn neighborhoods which the great metropolis affords. About me dwell principally Poles and Hungarians, who palaver in a lingo of which I know nothing and who live as I would despise to live, poor as I am. For, after all, in my hall-bedroom, which commands the river over the lumberyard, there is some attempt at intellectual adornment, whereas outside and around me there is little more than dull and to a certain extent aggrieved drudgery. Not so very far from me is a church, a great yellow structure which lifts its walls out of a ruck of cheap frame houses, and those muddy, unpaved streets which are the pride of Jersey City and Hoboken. Here, if I will, I can hear splendid masses intoned, see bright altars and stained glass windows and people going to confession and burning votive candles before images. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
