From the perspective of the Holy Scriptures, his practical experience in marriage and the strategic approach of a problem solver, the author highlights God's practical expectations from married couples, which are germane to the enthronement of perfect happiness in every marriage, and which would also guarantee marital bliss, peace and success for the ultimate enthronement of peace in our families and the larger society. A succinct eight chapter treatise on marriage, this book, The Marriage that Works, which is a classic par excellence undoubtedly provides the much needed scriptural insights and nuggets which would help in sustaining existing marriages, restoring moribund ones as well as invaluable counsel and guidance for the unmarried seeking to get married. In his classical foreword to the book, the erudite Presiding Bishop of Christian Fellowship Group (C.F.G.) International Church, Aba, Nigeria, Bishop Barrister John Donaldson Ogbansiegbrie wrote: . .this book is an epitome or a quintessence of demystified mysteries in marriage, and I recommend it to all and sundry. Scattered across each of the chapters of the book are prophetic declarations and prayers which would obviously help to solve marital problems of married couples. Having come at a time when majority of marriages across the globe are either broken or are at the brink of collapse, this book, The Marriage that Works is bound to be a profound blessing to humanity. It is indeed a must read.
