While he tramples upon the rights of those by whose labor and suffering he lives, his wicked example exerts a powerful influence in the destruction of their moral principle, and their destitution and misery drive them to the commission of crime, to obtain sustenance for their animal nature. Wherever the spirit of oppression rules, ambition, violence, pride and revenge, are the characteristics of the aristocracy; while meanness, sycophancy, lying, theft and prostitution are the characteristics of the oppressed. There is probably no community composed of oppressors and oppressed, but which contains also, an intermediate class, a small phalanx of middling-interest men, separate and distinct from both the other classes. Among these, we find the principles of justice, and the love of virtue predominant. And here is an exhibition of the excellency of that religion which teaches its disciples, in all things, to do unto others as we would have them do unto us. These remain to be the salt of the earth, the light of the world - and for their sakes, God spares the the world yet a little longer; while, by his faithful...
