These same people would be wrong. The truth of the matter is sheep are cute and wooly, but as for being dumb.while it is true that some breeds of sheep are less resilient than others and don't do very well in the mothering department, the word trusting is a much more appropriate adjective to describe these wonderful (yes, wonderful!) animals. There are a few other adjectives which aptly describe sheep: manageable, functional and profitable. Whether you have a couple of acres or a couple of hundred acres-sheep have much to offer in the way of an agricultural venture as long as you do it right. That's where this book comes...
