*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*

Burning Eye Books, United Kingdom, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book. Sophia Blackwell s new collection, The Fire-Eater s Lover, is about performance of all kinds. Whether it s the rituals of seduction, the trials and triumphs of squeezing into a red vintage dress or the adrenalin of putting a microphone to your lips, these poems are filled with the joy of performing. The Fire-Eater s Lover conjures together scraps of everything from classic blues songs to job rejection letters, marriage proposals and medical questionnaires, and whips them into a circus of illicit sex, love lost and found, bittersweet goodbyes and moments of illumination.
