

Contraception Made Easy (Paperback)

By Diana Mansour, Laura Percy

SCION PUBLISHING LTD, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. From reviews: This book aims to provide a concise yet comprehensive overview of contraceptive methods, and issues related to their use. The authors have succeeded in this aim, producing a very readable book, which can equally be read as a whole or in sections without losing the context. I thought that the chapters on combined oral contraceptives and emergency contraception were particularly good, and the chapter providing an overview of sexually transmitted infections and their management highlighted an important but potentially overlooked element of a contraceptive consultation. Other particularly useful features of the book are the starting regimens and myths and misconceptions sections included for each method, which provide clear guidance on treatment initiation and robust discussion on common misapprehensions about contraception. The book includes a useful decision tree on which to base an initial consultation. *J Fam Plann Reprod Health Care* 2016;42:58. Contraception Made Easy provides a concise overview of the subject and is especially written for non-specialists. The main audience for the book will be those working or training in primary care who want an easy-to-access, brief reference on...

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- Marvin Okuneva

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Zachery Mertz
