THE SHILOH CAMPAIGN (HARDBACK)

[DOWNLOAD](#)

Southern Illinois University Press, United States, 2009. Hardback. Book Condition: New. 231 x 150 mm. Language: English . Brand New Book. This title provides new insights into the Civil War s bloodiest battle. Some 100,000 soldiers fought in the April 1862 battle of Shiloh, and nearly 20,000 men were killed or wounded; more Americans died on that Tennessee battlefield than had died in all the nation s previous wars combined. Steven E. Woodworth has brought together a group of superb historians to reassess this significant battle and provide in-depth analysis of key aspects of the campaign and its aftermath. The eight contributors dissect the campaign s fundamental events, many of which have not received adequate attention before now. John R. Lundberg examines the role of Albert Sidney Johnston, the prized Confederate commander who recovered impressively after a less-than-stellar performance at forts Henry and Donelson only to die at Shiloh; Alexander Mendoza analyzes the crucial, and perhaps decisive, struggle to defend the Union s left; Timothy B. Smith investigates the persistent legend that the Hornets Nest was the spot of the hottest fighting at Shiloh; Steven E. Woodworth follows Lew Wallace s controversial march to the battlefield and shows why Ulysses S. Grant never forgave him; Gary D. Joiner provides the deepest analysis available of action by the Union gunboats; Grady McWhiney describes P. G. T. Beauregard s decision to stop the first day s attack and takes issue with his claim of victory; and Charles D. Grear shows the battle s impact on Confederate soldiers, many of whom did not consider the battle a defeat for their side. In the final chapter, Brooks D. Simpson analyzes how command relationships - specifically the interactions among Grant, Henry Halleck, William T. Sherman, and Abraham Lincoln - affected the campaign and debunks commonly...
