Brand New Book ***** Print on Demand *****.Excerpt from First Reader: Part II In this book are introduced the long and the exceptional sounds of the vowels, in different combinations. Lessons I-IV deal with the long sounds marked by final e mute. Lessons V-XIX present the exceptional sounds - in almost all cases distinguished by a certain combination. Lessons XX-XXIII contain certain vowel sounds, each of which requires two letters, as one picture, to represent them. The remaining lessons are, mainly, review lessons, involving the short and the long vowel sounds, and the consonant sounds, as taught in Part I, and in the first fifty pages of Part II. In these lessons good drill in word naming or word recognition is an essential element in successful teaching.
