When traditional teachings of Christmas are shown not to be in God s word who will you believe? If one loves Christmas more than the truth it s like telling God to shut up. Because the truth has stopped being listened to. This book exposes the false teachings about Christmas. If you don t care what the Bible teaches, then this book is not for you. If on the other hand you have questions about the events that surround His birth then by all mean read and learn the truth. This book is for you. Know the time when Jesus was born. Learn that the true day of His birth was renamed. Why did the wise men need directions? Why did they never see a baby Jesus in a manger? And, King Herod knew the exact day Jesus was born. The truth has been hid and the ones doing it need to be exposed for what they are and that is false teachers. After reading this book ask them why they don t teach the truth. It s always been there for anyone. We just choose to listen or tell God to Shut Up.
