

I Explore: A Science Textbook, 7

By Pankaj Tyagi, Parminder Chopra, Shobhita Johari

Cambridge University Press, 2010. Softcover. Book Condition: New. I Explore is an eight-level series of textbooks in science for school students. As envisaged in the National Curriculum Framework (2005) guidelines, these books have been designed to present science as a living body of knowledge where students are encouraged and guided to make exploratory forays of their own. Books 6 to 8 conform strictly to the specification of the latest NCERT syllabus for science at the middle school level. Special care has been taken to inculcate scientific aptitude in students through a variety of exercises and activities and to enhance their investigative and analytical ability. A number of tasks and exercises have been incorporated in the books to facilitate Continuous and Comprehensive Assessment (CCE). Key features ? Thematic and activity-oriented approach in a graded manner makes learning comprehensive ? Simple and clear style of presentation makes the understanding of concepts easy ? Now you know in-text exercises facilitate development of formative skills by reinforcing concepts learnt before moving on to the next section ? In-text Activities, In the Laboratory and Project Ideas foster skills of investigation and experimentation ? Multiple sections with HOTS questions and activities encourage creative and analytical...
