Excerpt: . . . tool by 2010. The new tool could take on greater importance in FMCSAs safety oversight framework because the agency is considering using the tools assessments of carriers safety to determine whether carriers are fit to continue operating. In contrast, SafeStat is primarily used now to prioritize carriers for compliance reviews, and determinations of operational fitness are made only after compliance reviews are completed. FMCSA also plans to develop a tool to assess the safety status of individual drivers, along with tools for dealing with unsafe drivers. Even though FMCSA is considering replacing SafeStat, we believe that implementing either of the approaches discussed in this statement would be worthwhile because it would be relatively easy to do and result in immediate safety benefits that could save lives. Our preliminary assessment is that FMCSA manages its compliance FMCSAs Management reviews in a way that meets our standards for internal control, thereby 12 of Its Compliance promoting thoroughness and consistency in the reviews. It does so by establishing compliance review policies and procedures through an Reviews Promotes electronic manual and training, using an information system to document Thoroughness and the results of its compliance reviews, and monitoring performance. We also found that compliance reviews cover most of the major areas of the Consistency agencies safety regulations. FMCSAs communication of its policies and procedures related to FMCSA Communicates Its conducting compliance reviews meets our standards for internal control. Compliance Review These standards state that an organizations policies and procedures Policies and Procedures should be recorded and communicated to management and others within through an Electronic the entity who need it and in a form (...)
