

## Algernon Blackwood: A Bio-Bibliography (Hardback)

By Mike Ashley

ABC-CLIO, United States, 1987. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This reference represents the most complete and detailed examination of Blackwood to date. Preceding the bibliography is a foreword by Ramsey Campbell, an introduction, a user's guide, and a short but detailed biography revealing much new material about Blackwood's life, and a chronology of dates. The bibliography is divided into four parts: works by Blackwood, adaptations of his work by others, works about Blackwood, and source indices. The listing of Blackwood's works begins with books, and then goes on to short and serial fiction, nonfiction (essays and sketches, and book reviews), poetry and songs, plays and dramas, radio manuscripts, and untraced items.

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*

-- Andres Bashirian

*Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.*

-- Lacy Goldner
